Superintendent Report: Dave Crews reported:

Summary of Progress

- Our current counselor has resigned. We will begin our search immediately. We are meeting with our potential PE/AD this morning to talk about next steps. It looks like we still stay with that model, instead of putting someone in as AP/AD for next year.
- What I would like to do to help provide our new principal with some evaluative and discipline support is pay a stipend to our math and RTI coach to take on some administrative duties. She will have her principal's license at the end of the month so she can help evaluate. This would also allow our new principal to still be able to be involved with literacy and data mining work. Coming in as a new principal, we are not filling her current position which is a savings of over \$50,000. I would like to use \$10,000 of it to cover the stipend.

- Maintenance update...the gym will be closed on July 1 for wax resurfacing.

Personnel/Resources:

- We are looking for quality candidates for a music teacher, counselor, and two head coaches.

Upcoming Events/Deadlines:

- We have champs July 31, 3-6 pm

District Initiatives:

- Our school district board policies are completed and are loaded through CASB on our website.
