CMAS celebration November 15th with an assembly

Athletic Director Report: David Mejia reported:

SPL – Meeting discussed the possibility of not having a District basketball tournament. This is the undertaking of Denver Christian AD, who thinks that 1A – 3A dropping their district tournaments and having 23 regular season games would be more beneficial to leagues. The problem is that we count on our district tournament for more than \$d1,200 per SPL school to stay afloat financially.

I have verified the entire basketball schedule and have only one spot remaining for the Thunderbird Shootout, as Centennial was pending on the girl's team. I have reached out to several teams including Crested Butte and Byers and am awaiting a response. I have ordered T-shirts for the All-Tourney teams, as well as the plaques for the winners.

I am organizing other parts of the Shootout, including the concessions by the coaches and the hospitality room as well.

We are pursuing the transition to 8-Man football and are going through the process required by CHSAA, which includes speaking to representatives of the leagues and getting organized to attempt to make the move. I have enlisted the help of former AD Dave Curtis, which has made connections which will be very valuable.
