CROSS REF.: JEA, Compulsory Attendance Ages

NOTE 1: While school boards are allowed to establish the entrance age requirement for the district, state law specifies that a district may count and receive funding only for students enrolled in the first grade who are six years old on or before October 1 of the applicable budget year, who are five years old on or before October 1 and attended at least 120 days of kindergarten in another state, or who are five years old on or before the district's start date and identified as highly advanced gifted students. Similarly, state law specifies that a district may count and receive funding only for kindergarten students who are five years old on or before October 1 of the applicable budget year or for kindergarten students who are four years old on or before the district's start date and identified as highly advanced gifted students.

NOTE 2: The Interstate Compact on Educational Opportunity for Military Children, C.R.S. 24-60-3402 requires districts to enroll children of military families in kindergarten or first grade, regardless of the child's age if: (1) the child is transferring from another state and was enrolled in kindergarten or first grade in the other state; and (2) the child has a parent(s) who is active military. The Interstate Compact overrides the entrance age requirements of the School Finance Act, C.R.S. 22-54-103(10). Please contact CDE's school finance unit for the audit requirements pertaining to this exception.
