The superintendent is authorized to conduct an internal investigation or to take any other necessary steps if information is received from a county department of social services or a law enforcement agency that a suspected child abuse perpetrator is a school district employee. Felony/misdemeanor convictions

If, subsequent to beginning employment with the district, the district has good cause to believe that any staff member has been convicted of, pled *nolo contendere* to, or received a deferred or suspended sentence for any felony or misdemeanor other than a misdemeanor traffic offense or infraction, the district must make inquiries to the Department of Education for purposes of screening the employee.

In addition, the district must require the employee to submit a complete set of fingerprints taken by a qualified law enforcement agency, an authorized district or BOCES employee, or any third party approved by the Colorado Bureau of Investigation. Fingerprints must be submitted within 20 days after receipt of written notification. The fingerprints must be forwarded to the Colorado Bureau of Investigation for the purpose of conducting a state and national fingerprint-based criminal history record check utilizing the records of the Colorado Bureau of Investigation and the Federal Bureau of Investigation.
