

Homeless Students

Local liaison

The local liaison(s) shall work to identify homeless children and facilitate each homeless child's access to and success in school

The primary functions of the liaison shall be to mediate disputes concerning school enrollment, assist in making transportation arrangements, assist in requesting the student's records, provide information and give referrals on services and opportunities, and assist any unaccompanied youth with enrollment, credit accrual and college readiness decisions.

Enrollment and school stability

Enrollment shall be immediate even if the student lacks records routinely required prior to enrollment or has missed application or enrollment deadlines. The district shall make arrangements to obtain any necessary records and to have the student receive any necessary immunizations. When feasible the district shall seek immunization through no- or low-cost health care providers. If an expense is incurred, the district shall seek reimbursement through Medicaid if possible.

If a homeless student becomes permanently housed outside the district during the school year, the student shall no longer be considered homeless and may only continue enrollment in the district for the remainder of the school year.

Tuition

Students defined in state and federal law as homeless child or youth shall be admitted without payment of tuition.

Enrollment determinations

In making enrollment determinations, the local liaison shall consider relevant factors, including but not limited to:

- the best interests of the homeless student;
- to the extent feasible, keeping the homeless student in the school of origin;
- the wishes of the student and the student's parent/guardian;
- which school can best meet the student's educational and other needs; and

- the student's transportation needs related to the school options.

The homeless student shall be immediately enrolled in the school in which the parent/guardian or unaccompanied youth seeks to enroll, pending resolution of the dispute.

The local liaison shall attempt to resolve the dispute as expeditiously as possible. If the local liaison is unable to resolve it, the district shall follow the Colorado Department of Education's McKinney-Vento homeless education dispute resolution procedure.

If the student is located in the district and attending the attendance area school, the district shall provide or arrange for the student's transportation to and from school in accordance with district transportation policies.

If the student is located outside of the district boundaries but a determination has been made that the student shall remain in the school or origin within the district, the district and the district where the student is located shall agree on a method to

apportion cost and responsibility for the student's transportation or share the cost and responsibility equally.
