FFA Report: Angel Rubio Mix reported:

- 12 Students attended the National Western Stock Show. We attend the stock show Saturday and Sunday as well as the rodeo on Sunday. I think the highlight this was being able to tour the new CSU spur building next to the NWSS grounds. This is an amazing facility, and 2 more buildings are nearing completion. Students were able to watch a dog be neutered, experience virtual reality setup for animal anatomy as well as watch a horse get therapy in a water treadmill. The spur building is open to the public year around and one of the new buildings will include dorm living for next year's state FFA officers. As a school we should be proud of our students and how they represented our district on this trip
- After 3 postponements we were finally able to have our Creed speaking contest. 11 Students presented the creed and received their Green Hand Degrees. Placing 1st was Haylee Freel, second Presley Wilson, and third Sydney Mason. Haylee and Presley will represent us at our district creed speaking on February 9th. Receiving their Green Hand degrees were: Haylee Freel, Presley Wilson, Sydney Mason, William Wilson, Hallie Henry, Phoenix Marshall, Idahlia Garcia, Juan Garcia, Jamie Damewood, Lawson Culver and Jaiden Shellabarger.
- FFA Week will be taking place the week of February 21st.
