Sangre De Cristo Pink Game

- Wear pink to the home basketball games on February 5th vs. Kim/Branson as it will be our breast cancer awareness night. Cancer has impacted all of our lives and this is just one of many ways we can raise awareness and show support to our community members and loved ones.
 - There will be a silent auction!
 - Baked goods will be available through the concessions.
 - All proceeds will be donated to a local family.

Mrs. Sessums Words of Wisdom!

- After years of molding our future, Mrs. Sessums is preparing to retire. Before she leaves us, we want to capture some of the wisdom she has instilled in our students throughout the years. We asked Mrs. Sessums to share a piece of advice that has guided her teaching, and this is what she had to say: **"For those who have had me as a teacher, you may recall one of my favorite sayings: "You never get a second chance to make a first impression." It is possible to change how someone sees you by your actions and deeds but that first impression will always be what someone remembers. Make sure that first impression is a positive one, whether it be your attire, your expression or your actions."**
