Robotics Club Update!

Mrs. McKinney has the following update for the Robotics Club!

- "Our ThunderBots FIRST LEGO League Challenge Team is heading to Colorado Springs this Saturday to participate in a robotics scrimmage at the KCTM Tournament! Our middle school students will have the opportunity to test their robot, learn from other teams, and gather ideas to strengthen their robot design, programming, and Innovation Project. We are incredibly proud of the creativity, teamwork, and perseverance these students have demonstrated as they prepare for their first official qualifier competition in November. Go ThunderBots!"

FBLA Update

Sangre de Cristo FBLA is proud to announce they have completed the required steps for Champion Chapter - Summer Starter. This is the first step for the chapter on the road to attaining Champion Chapter Gold!
