Robotics Club Great News From Robotics Club!

- Update from Mrs. McKinney
"The ThunderBots had a fantastic experience at the KCTM Robotics Scrimmage! Our rookie team consistently scored 150 points with the robot missions they designed, built, and programmed themselves. The judges provided valuable feedback and encouragement, inspiring the team to build on their success and continue improving. It was an exciting opportunity to experience FIRST Robotics competition firsthand, and our ThunderBots are more motivated than ever as they prepare for their November qualifier!"
