Sangre de Cristo FFA receives Grants for Growing funding from National FFA Organization

The Sangre de Cristo FFA chapter in Mosca, Colorado has been awarded \$4900.00 as part of the Grants for Growing program. The nationwide program, sponsored by Tractor Supply Company, provides grant funds to local FFA chapters to support the development or improvement of agricultural education projects that enhance the classroom experiences for students through chapter engagement activities.

Sangre de Cristo FFA plans to use these grant dollars to improve students learning in the classroom. To do this, the school will purchase equipment that will increase the opportunities students have to practice a hands-on approach through laboratory exploration. Agriculture Education has a unique ability to provide students hands on experiences through its three circle model that includes the classroom laboratory, work based learning with the Supervised Agriculture Experience and leadership development through the FFA Organization.

The program provided over \$900,000 to FFA chapters in 47 states. Funding is provided through consumer donations made during checkout at a Tractor Supply Company store by purchasing a \$1 FFA Paper Emblem. The fundraising period aligns with National FFA Week in February.

The National FFA Organization is a school-based national youth leadership development organization of more than 1,027,200 student members as part of 9,235 local FFA chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands.

#

About National FFA Organization The National FFA Organization is a school-based national youth leadership development organization of more than 1,027,200 student members as part of 9,235 local FFA chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. For more, visit the National FFA Organization online at FFA.org and on Facebook, Instagram and LinkedIn.

About National FFA Foundation The National FFA Foundation builds partnerships with industry, education, government, other foundations and individuals to secure financial resources that recognize FFA member achievements, develop student leaders and support the future of agricultural education. A separately registered nonprofit organization, the foundation is governed by a board of trustees that includes the national FFA president, educators, business leaders and individual donors. For more, visit FFA.org/Give.
