Ray Newmyer seconded the motion. The motion passed roll call vote 3-0.

**Opportunity for Citizens to Address the Board:**

Aaron Christensen signed in and stated that he has tried to get a show of interest from the boys to play Basketball and has only had 3 show up to the meetings. Our numbers have declined and he would like to know what we plan to do in the future.

Roger Whalen said he too has only had 3 students show an interest in Football for the next season. At this point we don't even have enough for a 6 man situation.

The board asked two members of the audience for their input into the situation: Aaron Christensen and Clifton Curtis. Both said they feel that a decision needs to be made so they can make plans for their children to attend other schools if we do not have the programs here.

**CPP Report:** Jenene Holcomb reported:

All of the students met or exceeded state expectations in all learning domains according to TS Gold data. Ms. Holcomb received a Level 4 on Colorado Shines but she is going to submit more documentation to hopefully get a Level 5. She wanted to "Thank" Bev Selin and Jenna Mondragon for the grant to do the LETRS training. It was really good! Thank you for the continued support of the school board and administration.

**Maintenance Report:** Gary Fritz reported:

The compressor that was ordered in January arrived broken and damaged. The dealer advised Gary to refuse it because the usage has been compromised. The plug was out and oil had spilled out. It could last 6 months to a year but then we would need to replace. The summer process of cleaning and repairing classrooms has started; waxing classroom and hallway floors; shampooing classroom and hallway carpets. When high school track is finished I will patch some cracks in the track. Abscolorado will be here the 14<sup>th</sup> to recover the divider wall between gyms. They say it will take at least all week and possibly a day or two the following week. We are hoping to refinish the gym floor 4<sup>th</sup> of July week.

**PK-12 Principal Report:** John Stephens reported:

Busy with trying to fill our open positions. We still have to hire a Counselor, MS Business and HS English teachers. We have two applications for the counselor position that I will be interviewing for on Tuesday June the 15<sup>th</sup>.

MS Business we have one application. The applicant has no experience and no license.

HS Eng. Position we have one application. The applicant has been a SPED Para for another district.

I would like to go ahead and hopefully recommend a counselor at our next meeting. I believe that we need to continue to leave the other two positions open in hopes of receiving more applications. We have received a request to use our facility (baseball field) for a summer program. I have no problem with this usage but would recommend that we continue to keep our gates closed for security. We have gone over our MS Retention list for next year. Tomorrow we will send out our certified letters to parents about what classes will have to be taken by students over the summer in order to not be retained.
