Mr. D. James Crews, Superintendent

Ms. Jenna Crowder, Principal

Dear Parents and Guardians,

Welcome to the 2026–2027 school year! I hope you and your family enjoyed a restful, memorable summer break. Our team has been working diligently to prepare for an outstanding year of learning, growth, and connection for every student.

We extend our sincere gratitude to our dedicated custodial and office staff, who spent the summer deep-cleaning our buildings, organizing classrooms, processing registrations, and ensuring our schools are safe, welcoming, and ready for the first day.

Please join us in warmly welcoming the newest members of our teaching staff to the district family:

Ms. Laske – Middle School Language Arts

Ms. LeMasters – 3rd Grade

Ms. Vance – 4th Grade

Miss Beckner – 5th Grade

Our teachers will officially return to campus for professional development and preparation on Monday, August 10. We are especially excited to welcome students (K-11) back on Monday, August 17, for the first day of school. Seniors' first day will be August 19.

We are honored to partner with you in your child's education and look forward to a successful year together. Your involvement is the single greatest predictor of your child's academic success. While our teachers provide the framework for learning in the classroom, your support at home turns that learning into a lifelong habit.

When you ask about their day, read together, and create a quiet space for homework, you send a powerful message that education matters. We see you as our essential partners in this journey. By working together, communicating openly, and encouraging your student through both triumphs and challenges, we can ensure they reach their highest potential.

Thank you for your continued support, and enjoy the remaining days of summer!

Sincerely,

Dave Crews, Superintendent
